DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-14 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record neither teach nor suggest the color illumination device has a first functional mode in which the value of the variable determines a color of the illumination light, wherein the color illumination device has a second functional mode in which the color of the illumination light is changed periodically in a predetermined pattern and the value of the variable determined a cycle of the periodic light color change, and wherein the color illumination device further comprises a switch operable to select one of the functional modes of the color illumination device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
